Re: Demolition, Investment Recovery and Asbestos Abatement.

D.H. Griffin of Texas, Inc. is interested in providing your firm with a proposal for the demolition, investment recovery or environmental remediation.

I would like to take a moment to introduce you to our company. We specialize in the demolition, investment recovery, asbestos abatement, environmental remediation, emergency response, explosives demolition and recycling of materials in chemical and petrochemical facilities, paper, power, steel, building structures, food and beverage industries throughout the United States. Over the past 17 years D.H. Griffin of Texas, Inc. has completed a broad spectrum of projects including entire demolition, asbestos abatement and environmental remediation of a (48) acre site under the Brown Field initiative. D.H. Griffin of Texas, Inc. has preformed projects for many of the Fortune Five Hundred list of companies.

We are capable and able to meet all insurance and bonding requirements that you may have. D.H. Griffin of Texas, Inc. has achieved a milestone of working 5,520 workdays without a lost time injury and has an Experience Modification Rate (EMR) of a .90.. This safety accomplishment sets D.H. Griffin of Texas, Inc. above all other demolition contractors. For the past five years we have received the Associated General Contractors of America (AGC) highest awards from the Houston, Texas chapter for specialty contractors. In 2003, 2005 and 2007 we received the AGC Specialty Contractor of the Year Award for Safety Excellence. We have also been awarded two prestigious awards from the Industrial Safety Training Council of Texas for working over twelve years without a lost time injury and for working over one million man-hours without a lost time injury.

We are most proud that our organization was selected by the Department of Design and Construction for the City of New York to be the lead consultant for the demolition and cleanup of the World Trade Center Emergency after the September 11, 2001 tragedy.

I hope that this brief introduction gives you insight into our company and will assist in your evaluation of our capabilities.
